To Whom It May Concern:

This letter serves as verification that CentraCom has coordinated with the Salem City Police Department to assist them with an upcoming project. CentraCom will be installing a fiber optic line in the City of Salem. They will be assisted by two Salem City Police Officers while they cross State Road #198 at the intersection of Main Street.

If you need anything further, please feel free to contact me during regular business hours at (801) 423-2312.

Respectfully,

Chief Brad S. James
Salem City Police Department
